Book Synopsis

It s no secret that wealth disparity is on the rise.Â Every year, the rich get richer and the middle class gets squeezed. In this day and age, young people can t afford to repeat the financial mistakes made by their parents. Thankfully, there is a way for the middle class of today to build wealth and be happy. This practical guide will lead you through the life-long journey of financial independence, free from money-related stress and empowered to live life the way you want.Â In Building Wealth And Being Happy: A Practical Guide to Financial Independence, you ll learn:Â * How to have a positive, healthy relationship with money* How to slowly get rich over many years and retire early* How to budget and save money* Whether you should use a financial advisor* Whether you should rent or buy the place you live in* Whether you should partake in socially responsible and green investments* If you can trust the stock market* If you should invest in real estate or gold* And much, much more...
